Welcome to your new best running buddy – the Joust Duffle Bag. This one-of-a-kind messenger bag is designed with the active runner in mind, offering the perfect blend of convenience, functionality and fashion.

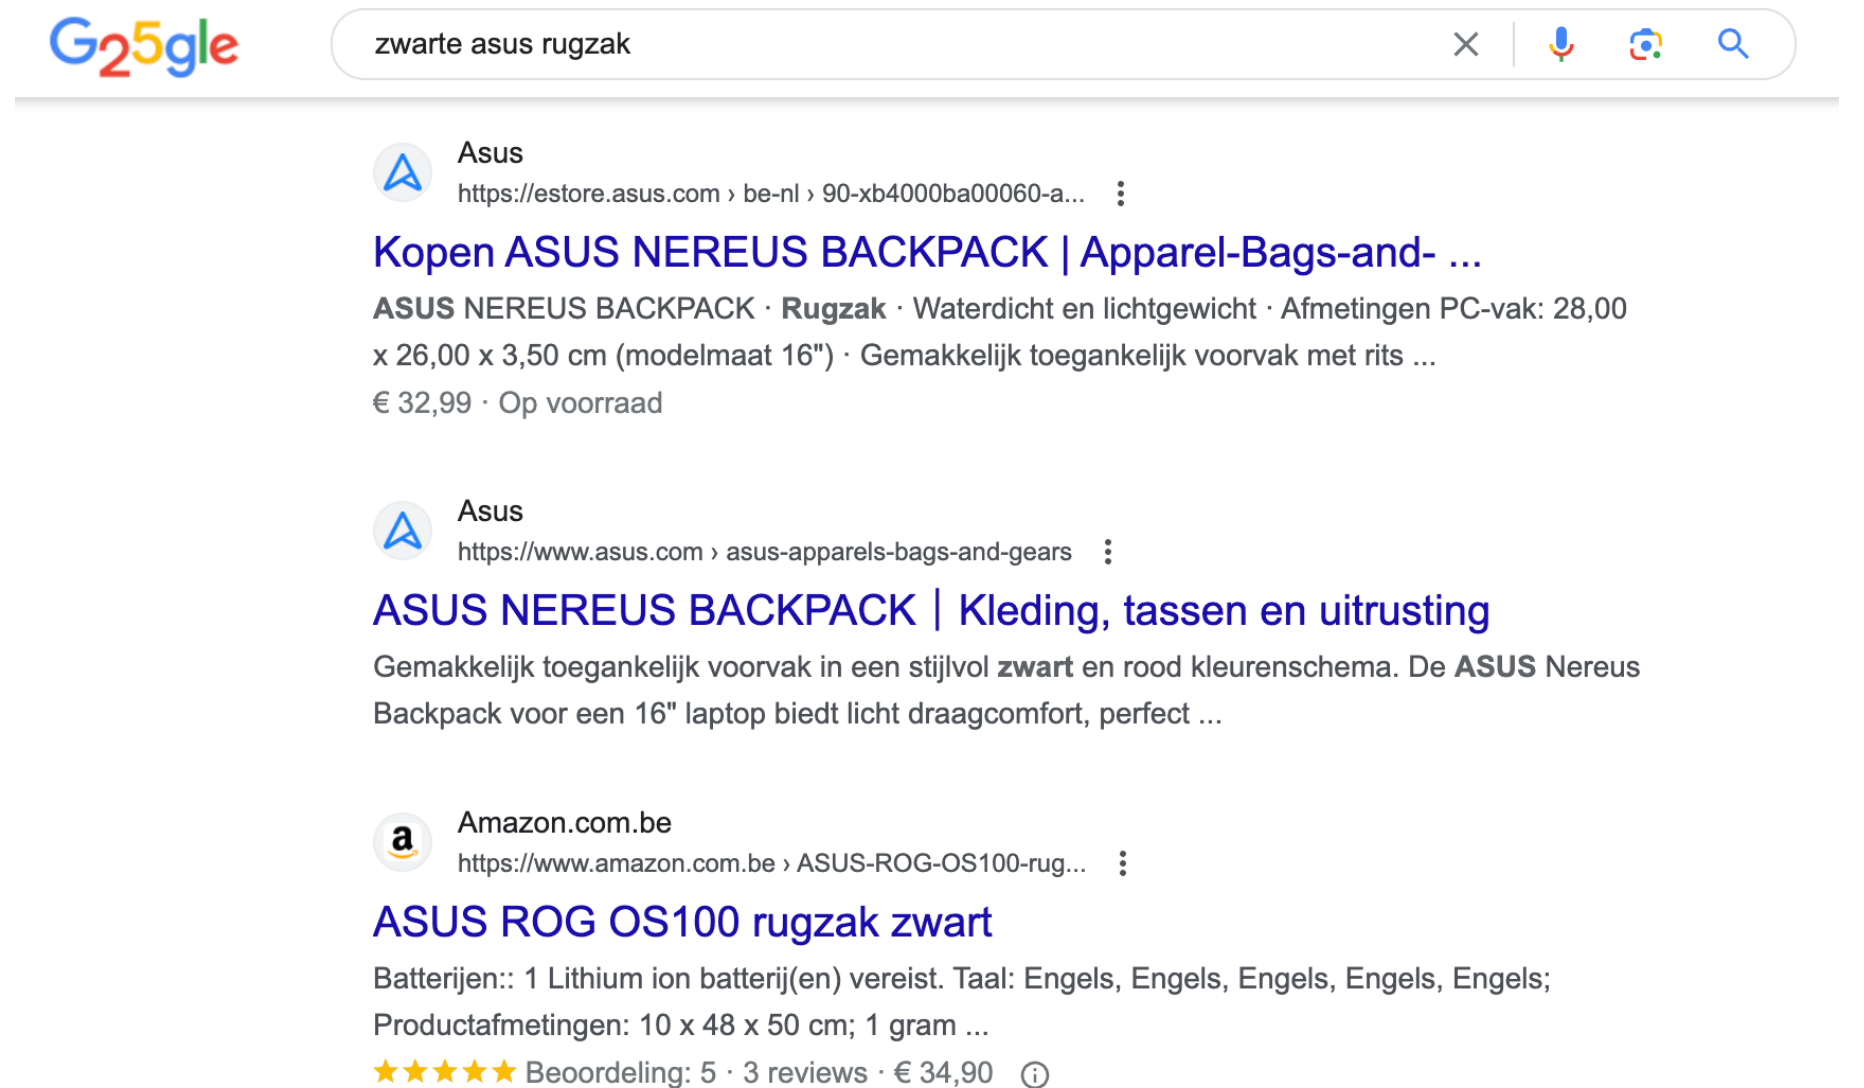

The Joust Duffle Bag features the ideal material for your active lifestyle: lightweight, weatherproof nylon. It's equipped with a comfortable adjustable strap that fits snugly over your shoulder, making it the perfect companion for outdoor adventures or even for simply commuting to and from the gym.

For added convenience, this bag also features an audio pocket – so you can listen to your favorite tunes while on the go. Plus, its spacious design allows you to easily store all the supplies and gear you need for your next journey. And with its stylish design and range of colors, the Joust Duffle Bag will keep you looking great while on the move.

Ready to make the most of every run? Look no further than the Joust Duffle Bag – the perfect companion for any active lifestyle. With its comfortable fit and versatile design, you won't want to leave home without your trusty sidekick.

- Losse systemen vs geïntegreerd in je e-commerce platform / PIM-systeem
- Kwaliteitsbewaking
- Kosten / besparingen / investering

The image shows two screenshots of e-commerce AI solutions. The top screenshot is for Clerk.io, featuring a banner with the text 'Cookieless Personalization Without Limits' and a woman holding a smartphone. Below the banner are two star ratings: a 4.8 score with 115 reviews and a 4.9 score with 16 reviews. A 'Request a Demo' button is also visible. The bottom screenshot is for Klevu, showing a navigation menu with 'Integrations' selected. Under 'Integrations', there are three main categories: 'Connectors' (listing BigCommerce, Magento, Shopify, Salesforce Commerce, commercetools, Shopware, and Klaviyo), 'Other Platforms' (listing SAP, Spryker, HCL Commerce, Elastic Path, VTEX, WooCommerce, Oracle Commerce, and Optimizely), and 'Headless Integration' (listing SolidJS, Lit, Remix, Svelte, Vue.js, Gatsby, Angular, Next.js, and React). A 'GET A DEMO' button is located in the top right corner of the Klevu page.
